

AFA “Aircraft Families” LOA Proposal – 07APR10
Reference: Section 6 – Scheduling (6.A.2.f.)

1. The Company has a legal duty to negotiate over new issues, like this aircraft family issue, that arise during the term of a contract. The parties have a legal duty to reduce any agreement to writing.
2. We propose the following new aircraft families be added to the listing in subsection f:
 - (6) MD88/90
 - (7) 737/738
 - (8) 777
 - (9) 767
3. In order for negotiations over this new issue to be meaningful, we request the following items:
 - A. Test runs
 - B. Cost savings/expenses associated with each test run
 - C. Headcount increase/decrease associated with each test run
