STATEMENT OF GRIEVANCE

Statement of Facts: (Include a brief statement of facts including date of violation.)

For at least 35 years Northwest has provided the flight attendants with two name bars. One to be worn on the outer garment and one to be worn on the serving garment. With the roll out of the "Richard Tyler Collection" the name bar and wings are combined and flight attendants are issued only one wing/name bar. The company expects the flight attendants to remove this insignia at the beginning and conclusion of each flight segment this is an unreasonable expectation.

Applicable Contract Sections: (State specific contract section violated or other basis of grievance.)

Section 19, Prior Uniform Standards, NWA , Past Practice

Relief Sought: (If not specified, AFA reserves the right to request all available remedies at any point during the grievance/system board process.)

That the company immediately furnish, at no cost, an additional wing/namebar to all pre-merger Northwest Flight Attendants
