MEASURING GUIDE

Measuring Tips:

- Have someone else measure you
- Keep tape straight but not tight
- Measure over undergarments or other clothing that will be worn under your uniform.
- If your measurements fall between two sizes, order the larger size.

A - HAT:

Measure the circumference of your head above the eyebrows.

See measurement A.

B- CHEST:

Holding tape gently, measure around the fullest part of the chest. Keep tape straight and level.

See measurement B.

C- WAIST:

Measure around waist over shirt (not slacks) at position you wear your slacks. Keep the tape level and be sure to stand naturally.

See measurement C.

D- HIPS:

Measure around the fullest part of hips. Hold the tape measure firmly, but not tightly. Keep the tape measure straight and level.

See measurement D.

E- HEIGHT:

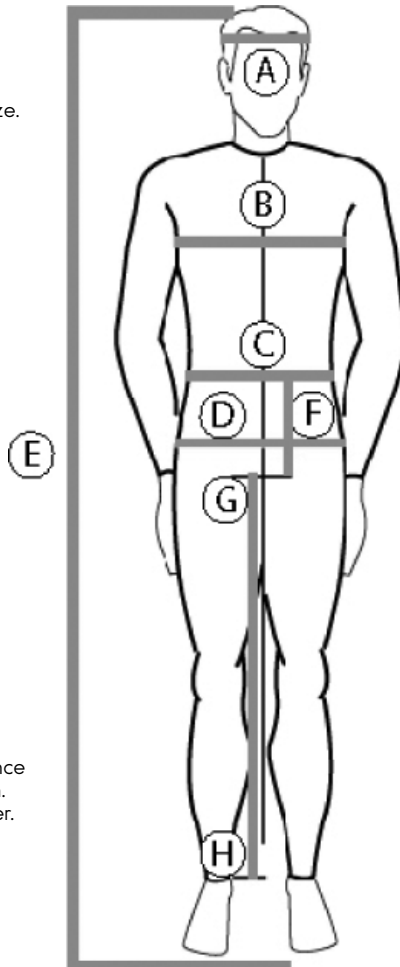

Stand against a wall in stocking feet. Mark a point level with top of your head. Measure from this point down to the floor. (Shoe heels can add inches to your height).

See measurement E.

F - RISE:

Some slacks come in short, regular, and long rises. This is the distance provided from the top of the waistband to the bottom of the crotch. Basically a short rise is 1" less than regular and longs are 1" longer. If you are taller than average, have a long torso, or require more freedom in the lower stomach area, you may be more comfortable in a long rise. If you are unsure of your rise measurement, order a regular. 95% of the male population wears a regular rise.

See measurement F, which references measurement G to measurement H.

Return Policy:

Any garment that does not meet your expectations of quality or performance may be returned to us once authorized, within 30 days, including custom merchandise if defective.

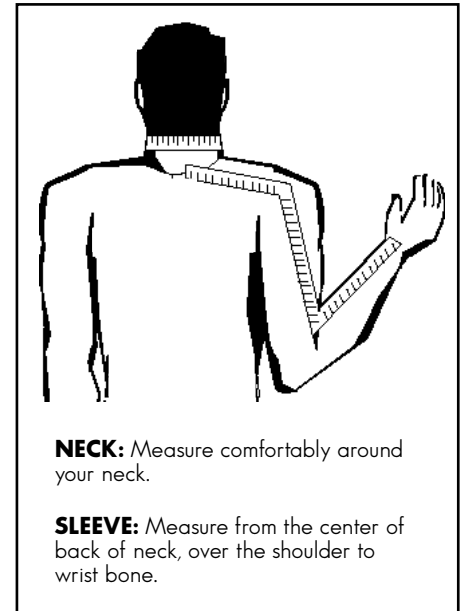

However, the following items are non-returnable.

- Trousers hemmed shorter than 28 inch inseam
- Custom manufactured special orders
- Altered garments

Return and exchange instructions will be included with your order.

A note regarding shipping addresses:

All shipments will be shipped to address on file with Human Resources. Any request to send to an alternate address will be a one-time occurrence. Lost shipments to any requested alternate address will be the responsibility of the employee.

NECK: Measure comfortably around your neck.

SLEEVE: Measure from the center of back of neck, over the shoulder to wrist bone.
